All published copies of the English language version of Morsum Magnificat are available for free download from:

http://www.n7cfo.com/tgph/Dwnlds/mm/mm.htm

This new index brings together and consolidates the previous part indices, each of which covered only a limited number of issues of Morsum Magnificat.

All issues, Numbers 1 to 89 are now covered by a single index. Entries have been checked and in some cases amended so that all copies of the magazine can now be searched from a single source with comparative ease.

PLEASE NOTE:
Copies of Morsum Magnificat are available for free download by permission of the copyright holder, Zyg Nilski G3OKD, and thanks to the generosity of Lynn Burlingame N7CFO whose website hosts the downloads.
