This version of the MM Index revised and consolidated by Tony Smith G4FAI, July 2017. © Tony Smith 2017

All published copies of the English language version of *Morsum* Magnificat are available for free download from:

http://www.n7cfo.com/tgph/Dwnlds/mm/mm.htm

This new index brings together and consolidates the previous part indices, each of which covered only a limited number of issues of Morsum Magnificat.

All issues, Numbers 1 to 89 are now covered by a single index. Entries have been checked and in some cases amended so that all copies of the magazine can now be searched from a single source with comparative ease.

PLEASE NOTE:

Copies of *Morsum Magnificat* are available for free download by permission of the copyright holder, Zyg Nilski G3OKD, and thanks to the generosity of Lynn Burlingame N7CFO whose website hosts the downloads.
